DEMOCRACY**

GET THE MONEY OUT OF POLITICS!

Let's re-instate sensible limits on campaign contributions. Sign this initiative, and help overturn the Supreme Court's "Citizens United" decision, which allowed unlimited campaign contributions.

- Less money in politics.
- Fewer political TV ads.
- Less power for special interest groups.
- Healthier democracy.

MORE MIDDLE CLASS POWER.

RAISE THE MINIMUM WAGE!

People who work and play by the rules should be able to provide for their families. Let's raise the minimum wage to **\$11** in 2017 and **\$12** in 2018. Help hard-working people move up, and build a stronger middle class foundation.

- Working and playing by the rules.
- A bigger middle class.
- More consumer demand.
- More jobs for the middle class.
- Fairness and compassion.

MORE MIDDLE CLASS JOBS.
